The Waste Haulers Summit

The perfect prospect match starts here!

The Waste Haulers Summit is your proven way to engage with decision-makers.

It is a unique event where you will share two days of private meetings and social activities with interested executives in the waste community

HOW IT WORKS

We screen and interview all fleet owner & director applicants to understand what they need, what they want, and then provide a grant for them to attend. It's a qualification process you won't find at any other industry event.

- You and your prospects will be matched with a custom agenda of meetings
- You will receive profiles of each prospect including their acquisition plans for the next 6 to 18 months
- Prospects will receive a description of the capabilities you provide

OUR PROPRIETARY MATCHING SYSTEM WILL GENERATE YOUR PERSONALIZED AGENDA

WHAT TO EXPECT

SUPPLIER PARTICIPATION SPOTS ARE LIMITED

To ensure that the directors and owners are seeing the range of products they've come to source within the 48-hour time frame, we limit the number of suppliers and product categories at our event.

- Your competition is also limited
- Take this opportunity to condense six months of sales meetings into two days of highly-focused meetings with the right decision-makers
- Don't miss out – reserve your space today

A Custom Agenda of Guaranteed Meetings

At the Waste Haulers Summit, you will engage with participants who applied for admission. These attendees have been interviewed, vetted, and are actively seeking your solutions. Due to the unique format of this event, there is little time when you are not engaged in guaranteed meetings with decision-makers. By participating, you will meet and work with these high-quality prospects in a way that drives your business like no other event.

"I love the format that is developed for this Summit. It is unlike a tradeshow, conference, etc. This Summit puts you in very social, engaging situations which feel very natural for both the suppliers and directors. It allows for everyone to get to know each other and to develop quality relationships."

"You cannot get this format anywhere else as a vendor!"

"I enjoyed how the Summit was designed so that everyone could interact with one another. The assigned seating at dinners and lunch was a great way to meet in a casual setting. Interacting with the vendors on a personal level and not just walking by a booth was amazing!"
